JOIN ME SATURDAY, DEC. 29 for the Goal Getters Workshop

**A 60-90 Minute Workshop that
will be recorded so
you can watch ANYTIME!**

It's that time of year, we are on the brink of a new year, a clean slate, and therefore it is the time of year when we all begin to think forward to look towards the future and to hopefully set some goals.

One of my favorite quotes is, "a dream without a goal is just a wish." Don't just wish for GOOD things to happen for you and to you in 2019. Set a GOAL so that you are able to make your dreams come true!

If this sounds good to you then you want to attend my upcoming Goal-Getter Workshop. This workshop is for goal-setters, and for those who wish they were goal-setters. It will encourage and inspire you to make your dreams come true, as well as give you the tools, support, and accountability to make them happen.

Join me on Saturday, December 29, 2018, to spend 60-90 minutes together setting goals!
